## About the RMHC Ottawa Open

FORE a good cause!

Come and celebrate the 35th Annual RMHC (Ronald McDonald House Charities) Ottawa Open with us! We are proud to host one of the longest running charity golf tournaments in Ottawa.

Spending the day at our tournament directly supports families that stay at the House while their kids receive treatment at the hospital. Your generosity to families in need will be reflected among the beautiful greens and fairways of Camelot Golf & Country Club.

Members of Ottawa's business community will join you on the course to enjoy low scores, great food, and cold refreshments along the way - it's always a day to remember.

This year we will be bringing back our shotgun start, as well as offering you on-course food stations, activations, and an online auction. At the end of the round, spend some time networking over a few refreshments, and make it home in time for dinner.

Golf with us on September 18th and help us give sick children what they need most – their families.
