

Who is Cheryl?

From the day RMHCO opened their doors in 1984, until her retirement in 2021, Cheryl was a constant source of compassion for those who have called RMHCO home.

Fiercely dedicated to supporting families through their child's medical journey, she was the heart of our House and our families' ultimate protector.

Make me a Knight

Become a Knight of Comfort by leaving a gift to RMHCO in your will and contributing to our Nights of Comfort fund.

From your family, to ours

Families are the root of our organization. Should you choose to become a Knight of Comfort, we ask that you please present the idea to your family and loved ones.

Your generous gift will support families in one of the following ways:

- Support the Capital Campaign to expand the current House
- Support operating needs
- Support capital repairs and improvements
- Support family programming and initiatives

Cheryl's Knights of Comfort

leave your legacy by keeping families close

About our House

Ronald McDonald House Charities Ottawa (RMHCO) provides a home to families in crisis while their child seeks treatment at the Children's Hospital of Eastern Ontario (CHEO). A full service House operating 24 hours a day, 365 days a year, RMHCO provides a warm, safe and welcoming environment for families when they need it most.

Who we are and how you'll help

Ronald McDonald House Charities Ottawa has a legacy of providing families with a place to call 'home' while their child receives critical care. When you include RMHCO in your estate, you create your own personal legacy by helping to ensure future families will have a place to stay together during what is likely the most difficult time in their lives.
